

THE PROOF OF THE STOVE IS THE  
COOKING ON IT!

## "JEWEL" STOVES.

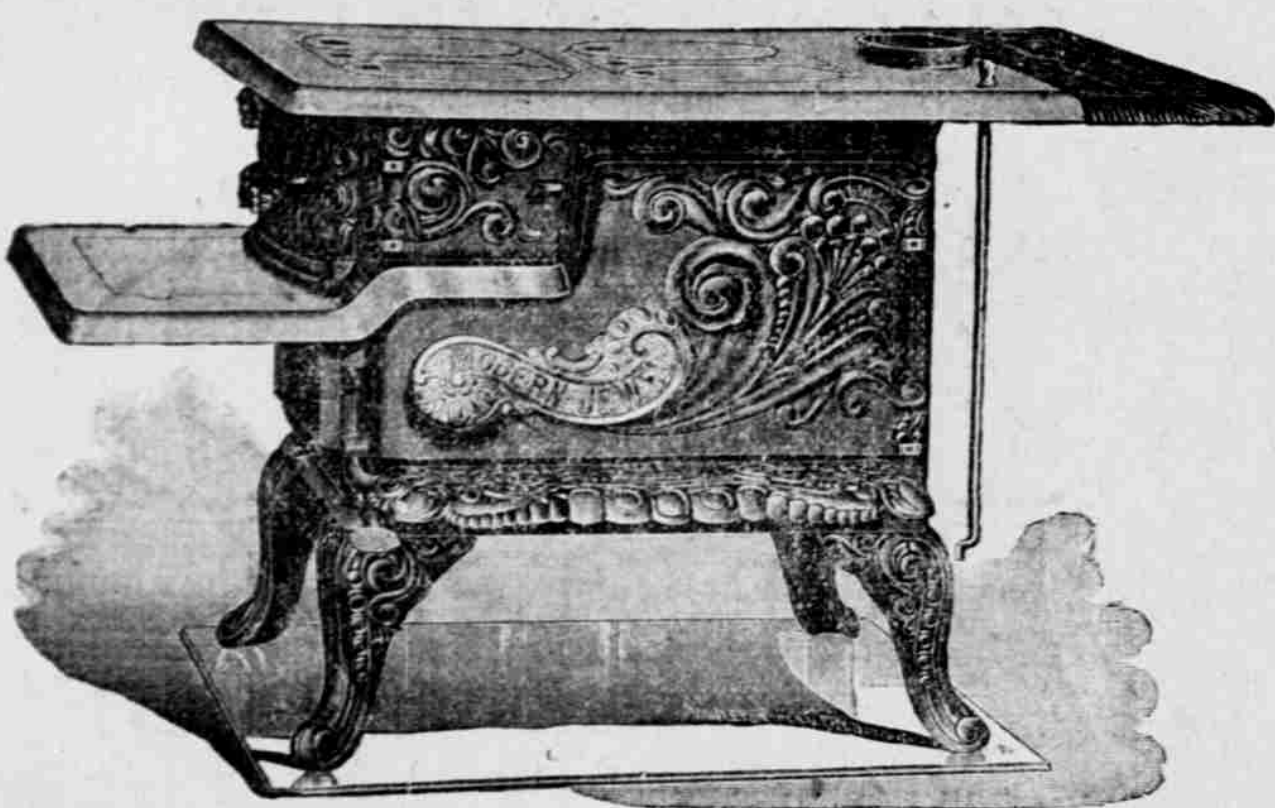

IT WOULD be an impossible task to find a stove combining all the good points massed in the DETROIT JEWEL. In the planning and making of them the stove brains of the United States have been brought into service. The JEWEL is not an experiment here: More than three hundred users testify to their cooking worth. The prices are made easy for you, and the method of paying easier. You are familiar with the plan; let us tell you what money will buy:—

**For \$11** A handsome MESQUITE JEWEL burns wood only; has four 7-inch holes, and 14x16 oven. A regular \$15 stove in any store. A good baker.

The same stove with four 8-inch holes and larger oven: measures 16x18; well finished throughout. Sells anywhere at \$20.

**For \$15**

These are stoves for small families. Like all Jewel stoves special attention is paid to construction of flues, thereby guaranteeing perfection in draft.

THE MODERN JEWEL

A stove, the demand for which has been far in excess of the supply. It is beautifully finished in full nicked trimmings, which include oven door and towel rack. Steel wire oven rack--tin lined oven doors, massive ornamented outside oven shelf. Pedal oven door opener and reservoir for hot water. Always ready for dish washing.

**For \$30** Exactly as described above, handsomest stove ever made for the money. Four 8-inch holes, oven 18x20. One at \$35; has same features, except that the oven measures 20x22. At \$43 the oven is 22x24.

**Welcome Jewel** Is designed to meet the demand for a low priced, servicable coal and wood stove. It has three large flues and is excellent for soft coal.

**For \$20** You get a beauty: four 8-inch holes; oven 16x18, or one with an oven 18x20,—gives more room for baking—\$24.

You can buy a Welcome Jewel, with 4 8-inch holes, oven 16x18. Reservoir enameled in white, full nicked trimmings, all latest improvements **For \$29**

**For \$35** The larger size stove, same pattern, with improved feed and broiling door, draft slide at front door, 4 8-inch holes and oven 18x20.

Handsomest modeling, fire box and linings, for hard or soft coal. Duplex grate, stationary outside oven shelf, nicked oven door panels, are found in a

### City Jewel Range

Size No. 8, with hot water coil, \$28.50; oven 15x16 inches. Same size without hot water coil, \$26. Size No. 8, with hot water coil, \$32.50; oven 17x18 inches. Same size, without hot water coil, \$30. These ranges have 6 holes.

#### STYLE B

With reservoir and hot water coil, \$43.50; without hot water coil, oven 17x18 inches, \$41. This range may be fitted with high shelf for \$5 extra.

**\$40** Buys an Empire Jewel Range, size No. 8, burns coal or wood. Has 6 holes, T shelf. Special flue construction and oven ventilation. Oven 18x18. The same with water coil, \$45. Large size, oven 20x20, with hot water coil, \$52.50. Here's a Larger One. Oven 20x20 with high closet end and T shelf, \$62.50.

The Merit Jewel, 6 Hole Range, burns hard or soft coal or wood, oven 20x21. Fitted with water coil and couplings, nickel trimmings, for \$56.

Merit Jewel, Style I, complete with high back and T shelf, with water coil and couplings. In every sense a perfect range. Sold at \$61.50.

The one in our window is the latest style stove manufactured. It has, practically, another story to it under the oven, no space wasted. The warming oven is under the stove and may be utilized without interfering with baking or roasting. All modern ideas embodied.

We have in all, about 20 styles and prices of stoves and will continue to guarantee to suit any intending purchaser, who will try the stove best suited to their peculiar requirements.

Arrangements for Celebrating Victoria's Reign--Committees Appointed.

A meeting of the British residents of Honolulu was held last night in the Arlington Hotel, for the purpose of considering steps to be taken in the celebration of Queen Victoria's Diamond Jubilee. There were over 70 present. Mr. T. R. Walker was called to the president's chair, and Mr. W. F. Wilson was elected secretary.

A letter of apology was received from Mr. Wm. G. Irwin, stating that on account of a previous engagement he had been prevented from attending the meeting.

After a few remarks by Mr. F. M. Swanzy as to the object of the calling of the meeting, it was moved and carried that a committee be appointed to draw up a memorial address to Queen Victoria, congratulating her on the completion of the 60th year of her reign.

The committee is composed of the following: Sir Robert Herron, Wm. G. Irwin, Daniel Logan, Thomas May, F. M. Swanzy and W. F. Wilson.

The following Finance Committee was appointed by the chair: F. M. Swanzy, Robert Catton, J. M. Dowsett, C. M. V. Forster, J. A. Kennedy, William Lishman, H. E. McIntyre, J. Rothwell, Alexander Young, James Campbell, W. M. Giffard, Dr. Herbert, T. R. Keyworth, L. B. Kerr, T. Lucas, Thomas May and Dr. McKibbin.

The duties of the committee are to collect subscriptions for the celebration day, and also to attend to the establishment of a permanent fund for an hospital. The Finance Committee will confer with the Executive Committee and report the result of their labors.

After remarks by various gentlemen, the chair appointed the following Executive Committee to carry out the day's celebration, and also to confer with the British Commissioner as to the best day during which to hold the celebration:

H. Armitage, George Angus, B. F. Beardmore, C. Crozier, A. R. Hatfield, George Harris, Jr., Fred Harrison, H. Herbert, Dr. Murray, W. H. Pain, W. Roe, R. S. Scrimgeour, W. L. Stanley, T. M. Starkey, J. E. Walker, E. H. Wedehouse, Fred Whitney, H. Wright, W. W. Wright, R. L. Auerbach, O. St. J. Gilbert, C. Girdler, J. W. Podmore, W. F. Reynolds, T. R. Robinson, W. C. Sproull, E. B. Thomas, Thomas Wright, Alatau Atkinson, T. Black, George Dall, T. C. Davies, Ed Giffard, George Harris, A. St. M. Mackintosh, H. Mist, W. McBryde, R. C. Montague, J. M. Monsarrat, T. McMillan, Ernest Ross, D. Shanks, W. G. Singlehurst, John S. Walker, Sam P. Woods, J. Lucas, C. G. Hallentyne, J. C. Cook, E. W. Jordan, N. Macfarlane, J. H. Soper, Wray Taylor.

This committee will appoint its own sub-committee to attend to such matters as sports, flags, fireworks, salutes, dancing, etc.

Upon motion of Mr. Alexander Young, it was voted that a fund be formed for the purpose of establishing an hospital, mainly for incurables of any nationality, as a permanent memorial of the completion of the reign of the 60th year of Queen Victoria, the control to be at all times in the hands of Britishers. Such hospital shall be known as the Queen Victoria Memorial Hospital.

Mr. Young intimated a subscription towards the starting of the hospital of \$2,500. This was met with loud applause.

Mr. Clive Davies made a few remarks on the religious aspect of the celebration, suggesting that services be held in connection with the celebration.

A vote of thanks was accorded the chairman and T. E. Krouse for the use of the Arlington parlor.

The meeting then adjourned, subject to the call of the chairman.

#### Michigan Stoves.

By the Archer yesterday, Castle & Cooke, Limited, received a large invoice of the celebrated Michigan stoves, which are largely used in the United States and are guaranteed to be of a very superior quality. They burn coal or wood, and are constructed on the latest plan. This is an entirely new line with Castle & Cooke, and their advertisement, on another page, indicates that they will make it a specialty of their retail department.

#### Interesting Book.

Mr. E. Pierce, of Paunilo, Hawaii, brought to the bindery of the Hawaiian Gazette Company a few days since a small bible, which he wished to be bound. On the fly-leaf is the following: IN MEMORIAM.

"This book was used by me in reading the burial service over friends of mine killed in the Zulu war.

"James Blair--October, 1885.

"William Ness--November, 1885.

"J. K. Straw--March, 1886.

"Who died in Akassa."

#### Accident at Ewa.

Ah Quan, one of the new lot of Chinese laborers at Ewa plantation, met with a very painful accident Tuesday afternoon while returning from working in the fields. He was standing on the back part of one of the cars, about the middle of the train, when the engine started off with a jerk. Ah Quan was thrown to the ground and his left foot was run over and mashed by the next car behind. He was brought to the city yesterday for treatment.

This is the result of only a few weeks' work. Could anything be more convincing of its popularity?

What are the reasons of this popularity? First and foremost is the fact that we guarantee every article you select to be your money's worth in full.

We guarantee the watches to be of a certain weight or above, and we cover the movement with our "money back" guarantee, if not in every way satisfactory to you, or we will give you the range of our show cases to select from, anything you may desire, and the cost to you is only

**\$1**

a week, until the article is paid for.

The dollar which slips through the bottom of your pocket every week, without anything to show for it, is the dollar we are after; guaranteeing a safer investment than any other scheme that may be devised. There is nothing complicated about it; nothing which needs an explanation. There should be no cobwebs impossible to see through, because some one interested said so and so. All that we ask is that you pay the One Dollar each week and we guarantee to deliver to you an article which will be to your lasting satisfaction.
